Message from the Legislative Council.

Mr. SPEAKER.—Now I have to report to the House that a message has been received from the Legislative Council that the Mysore Fire Force Bill 1962, as passed by the Legislative Assembly during the last session and transmitted to the Legislative Council, has been passed by the Legislative Council without any amendments.

We now go to the next item.

THE MYSORE APPROPRIATION BILL, 1964.

(Introduction.)

Sri B. D. JATTI (Minister for Finance).—I beg to introduce:

"The Mysore Appropriation Bill, 1964, which has been published under rule 64 of the Rules of Procedure and Conduct of Business in the Mysore Legislative Assembly."

Mr. SPEAKER.—The Mysore Appropriation Bill, 1964, is introduced.

THE MYSORE APPROPRIATION BILL, 1964

(Motion to consider.)

Sri B. D. JATTI.—I beg to move:

"That the Mysore Appropriation Bill, 1964 be taken in to consideration."

Mr. SPEAKER.—Motion moved:

"That the Mysore Appropriation Bill, 1964 be taken into consideration."

Sri B. D. JATTI.—Yesterday I have tried to explain everything in detail and all the members have approved my explanation and there was not much discussion. Today I think it is not necessary for me to go into details. Some hon'ble members complained that yesterday, I did not reply to one or two points. Now I have got information and I will try to reply to these two points within five minutes.

One is regarding item 1. The amount asked for is evidently over and above Rs. 1 lakh originally provided in the Budget. That was the question put by Sri G. V. Gowda. Then it was asked by some hon'ble members why we have created new heads for certain items. I could not explain that yesterday because I had no time. I shall explain them now.

Page 5—Demand No. 10—Items to 24—II. less Establishment for Special Land Acquisition on behalf of Government of India and other acquiring bodies (with details thereunder):

Sanction for the expenditure has been accorded in G. O. dated 29th November 1963 and advance from the Contingency Fund was sanctioned on 2nd January 1964. Hence the necssity for opening the new head of account as in the margin.

Page 10—Demand No. 17—It 2: Establishment of State Institute of Education:

The establishment of State Institute of Education was sanctioned in G. O. dated 7th December 1963 and an advance from the Contingency Fund was sanctioned on 23rd January 1964 (The entire expenditure is recoverable from Government of India). Hence the need for opening this head of account.

Page 14—Demand No. 23—Item I—Contribution to Price Fluctuation Fund (Paddy): and

Page 26—Demand No. 44—Item 1—Share Capital Contribution to Co-operative Marketing Societies for purchase of paddy:

The scheme has been continued as per G. O dated 31st January 1964 and an advance from the Contingency Fund Rs. 10 lakhs has been sanctioned in G. O. dated 12th February 1964 (Rs. 5 lakhs under each of the Demands No. 23 and 44) and this had to be accounted for under the new heads of account noted in the margin.

Page 22—Demand No. 39—Item 2—11 Grant-in-aid to District Local Boards on account of Forest Revenue:

Item 2—This could not be included in the Budget Estimates for 1963-64 as the sanction thereto during the last year was accorded in G. O. dated 28th March 1963 after the presentation of the Budget. The amount is sanctioned for the current year also in G. O. dated 10th February 1964 and an advance therefor is sanctioned in G. O. dated 24th February 1964. Hence the need for opening this new head of account.

Item 4—Provision in the budget for 1963-64 was under the head styled "Subsidy to the Mysore State Electricity Board on account of concessions for Diesel Power Generation." There being no provision in the Electricity Supply Act empowering the Board to grant subsidy, it has become now necessary to open a new head of account for payment of subsidy direct to the Industries generating their own power according to the amended Act.

There is nothing else to be explained.

"That the Mysore Appropriation Bill, 1964 be taken into consideration."

The motion was adopted.

Mr. SPEAKER.—The question is:

"That clauses 2 and 3 stand part of the Bill."

The motion was adopted.

Clauses 2 and 3 were added to the Bill.

Mr. SPEAKER.—The question is:

"That the schedule stand part of the Bill."

The motion was adopted.

The Schedule was added to the Bill.

Mr. SPEAKER.—The question is:

"That clause 1, the Title and the Preamble stand part of the Bill.

The motion was adopted.

Clause 1, the Title and the Preamble were added to the Bill.

Motion to pass.
